## DRESS CODE FOR FEMALE STUDENTS

SCCA follows **a uniform policy**.

The dress code at Sugar Creek Christian Academy applies to all programs sponsored by the school. Its purpose is to create an environment that promotes the development of character qualities laid forth in the Holy Scriptures. We believe dress should be governed by the following principles:

- I. MODESTY-** Individual's dress should be that attention is not drawn to the body. Clothing designed to attract attention is both distracting and ungodly. Students are to dress with purity in mind. Form-fitting garments, revealing necklines, shorts, skirts, tops that expose the midriff, see-through materials, sleeveless shirts, and shorts are not permitted.
- II. SAFETY-** Certain styles of clothing or types of shoes can cause injury. For this reason flip-flops and open-toed shoes are not permitted.
- III. HYGIENE-** A part of student's education is the science of health and its maintenance. There are basic principles that promote health, sanitation, and the prevention of disease. For this reason students should wear appropriate shoes and undergarments and maintain a clean and neat appearance.
- IV. APPROPRIATENESS-** Students should live and exemplify the standards and principles taught in the Bible and in the school; therefore clothing which promotes immoral themes, satanic symbols, secular music, pop culture, or sports teams are not to be worn at school or school functions.

*Therefore, we enforce strict adherence to the following policy for all female students.*

**Shirts** - Female Students must wear an approved uniform shirt at all times.

There are 5 styles that are acceptable:

1. short-sleeve T-shirt (blue or white)
2. long-sleeve T-shirt (blue or white)
3. sweatshirt (blue or white)
4. polo shirt (blue or white)
5. long-sleeve polo (blue or white)

*These items can be purchased from a business that has been approved by the Board.*

**Pants or Skirts** - Female Students can wear the following types of bottoms.

**NOSHORTS ARE PERMITTED.**

1. Full length Blue or Black dress pants.
2. Full length Khaki pants
3. Blue, Black, or Khaki skirts/jumper that extend below the knee when in a standing position.
4. No jeans or jeans skirts

*Pants can be purchased by the parent independently but must adhere to the dress code.*

**Shoes** - Flip-flops and open-toed shoes are not permitted.

Tennis shoes are acceptable except those displaying obscene material.

**Jewelry** - Jewelry must be modest and decent. Female students are not permitted to wear earrings, rings, necklaces, bracelets, or any type of jewelry that is excessively large or that draws attention.

**Body Piercing** - No body piercing is permitted other than the ears.

**Hair styles** - Girls are to wear appropriate hair styles. Unnatural-looking dyed hair, spiked hair, etc., that are contrary to the standards of SCCA as determined by the Administration are not permissible. The hair should not cover the eyes or be worn in a way that is unattractive or untidy.

**Accessories** - Sunglasses, hats, picks, bandanas, wraps, or scarves are not permitted to be worn at school.

**PLEASE NOT THE FOLLOWING:**

- Uniforms are to be visible. Wearing sweatshirts and beanies is not permitted. Students who are cold indoors should wear a coat or jacket. Students can wear a coat to and from school and while outside for recess but only under extreme circumstances inside the building.
- Students are permitted to wear a plain white or blue (that matches the blue of our uniform) shirt underneath their uniform shirt. These shirts must not have any writing on the sleeves or any lettering on the neck. Hooded sweatshirts are not to be worn under uniforms.
- Approved uniforms can be purchased at CJT's or from Chad Scott. These companies are aware of the approved styles and what is acceptable. The embroidery on uniforms purchased from Chad Scott will be screen-printed.
- As stated above pants must be of "dress quality". *No sweatpants, stretch pants, or denim* are permitted. We also ask that dress pants have no rips or designs but be solid in color.
- Any garment that has separate legs will be considered pants and therefore must come to the ankles. No capri style pants will be permitted.
- We will follow the following procedure in dealing with dress code infractions:
  - 1<sup>st</sup> offense- Conference with student and written notification sent home.
  - 2<sup>nd</sup> offense- Conference with student followed by disciplinary action and written notification sent home.
  - 3<sup>rd</sup> offense- Conference with student and parent to discuss non-compliance followed by disciplinary action.
  - 4<sup>th</sup> offense- Conference with student and parent to discuss non-compliance and possible suspension or dismissal.

*We cannot anticipate changes in style that occur during the school year nor can we list everything that is inappropriate and therefore unacceptable. Therefore, SCCA reserves the right to make clarifications and changes at any time that are in accordance with the standards of the scriptures and our school.*

**UNIFORM AND DRESS POLICY AGREEMENT**
